Sample PDF for Drag & Drop Testing

This is a simple A4 PDF created only for testing drag-and-drop fields like text boxes, signatures, dates, and radio buttons. You can use this document to verify positioning, resizing, and responsiveness across desktop and mobile views.

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

Second paragraph for anchoring tests. Place a text or signature field near this paragraph and verify it stays aligned when screen size changes.
